This table provides BSA literature references for the catalog number of BSA ribbons and square knots. From this, dates may be derived.
A blank usually means the item is not addressed (which does not mean it does not exist!).

This table provides BSA literature references for the catalog number of BSA ribbons and square knots. From this, dates may be derived.
A blank usually means the item is not addressed (which does not mean it does not exist!).

See Word file "History of Knot Evolution," in Collections for a text expansion.

None, badge, pin, medal = the award existed, but no knot was available (or in that color)

N/A = the award did not exist at that time

This table provides BSA literature references for the catalog number of BSA ribbons and square knots. From this, dates may be derived.

A blank usually means the item is not addressed (which does not mean it does not exist!).

This table provides BSA literature references for the catalog number of BSA ribbons and square knots. From this, dates may be derived.
A blank usually means the item is not addressed (which does not mean it does not exist!).

Devices were introduced by 1957.

The first devices were Cub Scout, Boy Scout, Explorer (CAW) and commissioner.

Until 1975 the devices were only for the Scouter's Key.

In 1975 the devices were authorized for wear on the Scouter's Training Award and knot.

In 1983 Cub Scout and Boy Scout devices were authorized for the Youth Religious Award knot.

In 1989 Explorer and Webelos devices were authorized for the Youth Religious Award knot.

In 1988 the SK and STA for Cub Scouters was discontinued. Devices, if earned, may be worn.

In 1998 the Venturing diamond was initiated, and Exploring E discontinued.

Exploring devices, if earned, may be worn.

In 2000 separate devices were introduced to distinguish levels of giving above the West Award.

1910 Society is for direct gifts to endowment, with four different levels and devices (\$150 each)

Founder's Circle is for deferred giving to endowment, with four different levels and devices (\$150 each)

In 2008 the Philmont Master Track 3 device was announced, but not illustrated anywhere.

In 2012 the Tiger device was produced for the Den Leader medal, and the Cub and Webelos devices authorized to wear on it.

This table provides BSA literature references for the catalog number of BSA ribbons and square knots. From this, dates may be derived.

A blank usually means the item is not addressed (which does not mean it does not exist!).
